Assist International  http://www.assistinternational.org/
Medical and Hospital Equipment. Technicians and specialists needed for short term, for training, repair, calibration, installation in third world facilities.

Caring Partners International  http://www.caringpartners.org/
We provide medical kits, supplies, and materials to short-term evangelical CHURCH-based mission teams. We also take medical mission teams overseas at the invitation of national leaders, pastors, and missionaries. Hands-on medical work, some teaching and training.

Christian Dental Society  http://www.christiandental.org/
CDS makes available portable equipment on a first come, first serve basis to current CDS members of at least Active Members Status (minimum of $150.00 annual dues). All equipment loans must be approved by the Home Office and the equipment must accompany the CDS member to and from the mission site.

CrossLink International  http://www.crosslinkinternational.net/
We supply Christian Medical Missions with (typically free) medicine, supplies, eyeglasses and equipment. We can purchase generic meds and ship to the USA and/or field locations (in 20'/40' containers from Falls Church, VA). We support up to 400 short-term medical mission teams going to more than 100 countries.

Dental Elite  http://www.dentalelite.com/
We are a dental supply company that provides high quality toothbrushes, paste, floss and other oral health care items. We also help non-profit organizations with fundraising with a toothbrush with Scripture on it - ask about the PROMISE BRUSH. We want to work with you and support you in your efforts.

Direct Relief International  http://www.directrelief.org/
We work to improve the health and lives of people living in developing countries and people victimized by disaster or war. We support locally run facilities, hospitals, and programs that provide health services with essential material resources - medicines, vitamins and nutritional supplements, supplies, and equipment. (Not necessarily Christian)

DrUsed  http://www.drused.com/
DrUsed.com is an Internet Portal promoting the trade of used medical equipment and surplus medical supplies. 416-766-3340. Includes a good directory of sources of such equipment and supplies.
