HAPPY MOTHER'S DAY

*She walks in elegance
 whose heart is filled
 with beauty, like the
 Spring her gentleness
 is but a part of all
 the joy her graces
 bring.*

*The things she taught
 me at her knee are
 honesty and faith and
 love, no one is
 lovelier than she
 whose soul is joined
 with things above.*

**Disciple Making Stepping Stones to Developing
Your Church's Strategy With Roy Saint**

It is time to re-examine the church's process for making disciples. Our churches are not making disciples. But that's not the real problem. The real problem is – we think we are. How do you effectively disciple an entire body? It is not about making converts. It's about growing new and mature believers. The responsibility falls to every believer in your local body of believers to create intentional followers of Christ, who in turn create other intentional followers. And, along the way we discover those who need to believe.
