2010-2011 Parent Teacher Association for Friendship Christian School

The Purpose of the Parent Teacher Fellowship is to:

- Encourage** students in their spiritual, social and academic growth.
- Support** the teachers and staff in the development of our children's education.
- Provide** opportunities in which parents can use their gifts, talents and resources to participate in the enhancement of their child's school experience

Membership in the Parent Teacher Fellowship is available to any parent, teacher, or staff member of Friendship Christian School who subscribes to the policies of the school and this PTF.

The Parent-Teacher Fellowship (PTF) sponsors two mandatory fundraising events each year and several other Spirit or Fellowship Events throughout the year. The PTF Board votes on projects that will benefit students. All sales and fund-raising activities must be approved by the school Principal. Fund-raising activities are intended to enhance student education or to cover costs of school-sponsored events and not for personal financial gain.

We are asking EVERY PARENT commit to serving/volunteer on at least one event for 2010-2011.
