Texas Energy Group, LLC (TEG) Announces New Drilling Contract for Exploratory Well in South Texas

Texas Energy Group, LLC (TEG) and its affiliate operating company, Resaca Resources, LLC, have contracted with Price Drilling to drill an exploratory well in Duval County, Texas.

FOR IMMEDIATE RELEASE

Austin, TX – January 24, 2013- Texas Energy Group, LLC (TEG) and affiliate operating company, Resaca Resources, LLC, are pleased to announce that they have contracted with Price Drilling for the drilling of a shallow, exploratory well in Duval County, Texas. The Driscoll-S. Sweden #100 has been permitted to 5000' to test several shallow oil zones.

“We are pleased to be drilling this new exploratory well alongside Bishop Petroleum, a long standing independent oil company based in Houston, Texas” stated Waylan Johnson, President of Texas Energy Group, LLC. He further stated, “The Driscoll Prospect is one of several prospects we currently have in the Duval County area. These conventional, shallow oil opportunities are directly in line with our business model and current drilling focus.”

TEG has built a successful business model around mid to shallow depth, conventional drilling plays throughout Texas, with oil being the primary focus.
