

Texas Energy Group, LLC (TEG) Announces the Hook-up on the Blackstone Southland #1 Well

Texas Energy Group, LLC (TEG) would like to formally announce the hook-up on the Blackstone Southland #1 well, located in Montgomery County, Texas.

FOR IMMEDIATE RELEASE

Austin, TX – September 11, 2012- Texas Energy Group, LLC (TEG) is pleased to announce that they have completed the hook-up on the Blackstone Southland #1 well, located in Montgomery County, Texas. Back in January 2012, TEG announced the successful drilling of the Blackstone Southland #1 well, along with their post drilling results.

“Our crews have completed the hook-up on the Blackstone Southland #1 well and we are in production,” stated Waylan Johnson, President of Texas Energy Group, LLC. He further stated, “This particular hot tap (pipeline hook up) gives us another entry point to N6PL and creates easy access to two additional potential drilling locations. The Blackstone Southland #1 has upwards of eight potential productive zones according to calculations by log analysis. We have been drilling in this area for nearly six years and continue to find discoveries in an old mature field.”
