

Texas Energy Group, LLC (TEG) Announces the Pipeline Hook-up on the Davis Estate #1 Well

Texas Energy Group, LLC (TEG) would like to formally announce the pipeline hook-up on the Davis Estate #1 well, located in Liberty County, Texas.

FOR IMMEDIATE RELEASE

Austin, TX – September 20, 2012- Texas Energy Group, LLC (TEG) is pleased to announce that they have completed the pipeline hook-up on the Davis Estate #1 well, located in Liberty County, TX which is one of the principal areas that TEG has drilled. The Davis Estate #1 has been in production for about a month now and is located in the prolific Cleveland Field.

“We were able to hook the Davis Estate #1 well to our Pelican gathering system allowing our partners to benefit from interstate pipeline gas prices,” stated Waylan Johnson, President of Texas Energy Group, LLC. He further stated, “We are starting to have a large enough foot print in Liberty County that we are now able to benefit from the infrastructure we already have in place.”

Through its affiliate operating company, Resaca Resources, LLC, TEG has expanded its Land Department and currently has numerous prospects in the developmental and leasing phase. TEG plans to drill 6-8 additional wells in the area over the next 12 months.
