To Whom It May Concern,

Beckman Baseball has achieved unprecedented success over the last 12 seasons. We became the first baseball program to win a CIF Championship in Irvine City history, with our win at Dodger Stadium in 2011. The team has also appeared in the CIF playoffs for 12 consecutive years. In addition to the CIF success, we have won the Pacific Coast League Championship eight times. Along with the on-field success, we have built and maintained a beautiful baseball complex that complements the incredible academic facilities at Beckman High School.

Many Beckman baseball players continued their playing careers in college and professional baseball after playing at Beckman High School. The Beckman Baseball experience provided these players with the fundamental skills and baseball acumen to play at a higher level. Additionally, Beckman Baseball players have contributed significantly over the years to their community through volunteering at numerous events.

We are hosting a Casino Night on February 28th, 2020 and we are looking for items for our auction and raffle. We are very open to any donations you would consider.

Your commitment and generosity to the Beckman Baseball Boosters directly benefits the young men in your community and the Patriot Baseball Team.

Gratefully,

2020 Casino Night Committee including the Parents and Players of Beckman Baseball
