

### WEATHER POLICY

Wooftown Doggy Daycare is open for daycare in all but the most extreme weather conditions. "Extreme" shall be defined as a wind, rain, snow or ice event resulting in extremely hazardous road conditions, usually with closures to state/federal offices as well as schools and/or roads in the area.

In the event that we close due to an extreme weather event, or if most of the dogs scheduled for that day have cancelled due to a weather event, Wooftown will post on their webpage as well as their facebook page. We will also list our closing with 13WHAM.

**IF A STATE OF EMERGENCY IS ISSUED FOR MONROE COUNTY AND/OR TRAVEL BAN IS IN EFFECT  
WOOFTOWN DOGGY DAYCARE WILL BE CLOSED!**

**\*Please note\***

**Dogs who are already here boarding will not be affected by daycare being cancelled during a weather event.**
