Accomplished educational leaders who are interested in the position of Associate Superintendent of Schools – Learning are invited to submit applications. The Associate Superintendent of Schools will serve as a key member of the senior administrative team, reporting to the Superintendent of Schools. The Associate Superintendent of Schools will be responsible for providing leadership and coordinating division-wide professional learning communities and specialized communities of practice, overseeing curriculum changes and updates with Alberta Education, and other duties as assigned. The Board is seeking an Associate Superintendent of Schools who is dedicated to Catholic education and to enhancing the success of Catholic Schools in a site-based decision-making environment.

The Division
Evergreen CSRD No. 2 in Alberta is comprised of ten schools in the communities of Devon, Hinton, Spruce Grove, Stony Plain, and Westlock. The Division has approximately 4300 students in junior kindergarten to Grade 12 programs and is experiencing consistent growth. We are a Catholic faith community committed to serving each individual child in an atmosphere of faith, hope, and love through our mission of Ever Growing, Learning, and Living in Christ. Over 400 dedicated and committed staff deliver exceptional educational programming permeated with our Catholic faith. The Division’s operating budget for 2018/19 is approximately $50,000,000.

The ideal candidate will:

- have several years of teaching and administrative experience at various school levels
- hold a Master’s degree in Education from a recognized university
- possess or be eligible to obtain a valid Alberta teaching certificate
- be endowed with skills in Catholic educational leadership, communication, and fiscal management
- have experience establishing professional learning communities and facilitating a variety of communities of practice within a school jurisdiction
- be focused on visionary leadership, including supporting the learning goals of all schools and building capacity in schools through administrative team coaching
- be actively involved with all curriculum-related updates and changes from Alberta Education and ensure that quality education is delivered to every student
- consistently articulate the Division’s mission and inspire people to work toward that mission
- work collaboratively with local and provincial partners and other stakeholders
- be committed to a collaborative approach to decision making
