Gathering of the Community of Faith

Welcome

Hymn "We Your People God Confessing" vs 1, 2&4 CH 356

*Call to Worship Sheila McCrea

Let us gather within the covenant of love
Which binds us to God and one another.
Let us gather at the table of the Lord
To celebrate with thanksgiving
The saving acts and presence of Christ.
Let us gather to remember our baptism into Christ
By which we enter into newness of life
And are made one with the whole people of God.
Let us gather to worship the maker of heaven and earth
To whom be blessing and glory and honor forever.

The North Hill Weekly

Scriptures for Next Week

Luke 4:14-30, Psalm 146

Print Day

For the past few months you may have noticed on the weekly schedule what we have deemed, "Print Day." What this means is that Thursdays are set to be the day in which the Bulletin, Weekly, Newsletter, and New Flash are printed and when relevant sent out. This means that all entries into these forms of communication have already been reviewed and edited where necessary so that printing can begin first thing on Thursday mornings.

As you can probably imagine it takes time to review and edit all the articles that go into our forms of communication. Official work on the Newsletter begins each month on the 17th when articles should have been sent to Sarita. Work on the bulletin actually begins over a week in advanced so that Riley is able to begin his work on recording music for our services. The Weekly and the Newsflash begin their preparation at the beginning of each week. But even with all of these items beginning early, there does have to be a cut off time for receiving new articles. For the Newsletter the scheduled cut off date is the 17th of each month, while knowing there are certain items that have to be received later due to time constraints. For all other printed communication the office needs **all articles** and **updates** no later than Wednesday morning prior to the relevant print day. But also be aware that for the Weekly we are working with limited space and may have to prioritize some articles over others.

Help Pastor Chris to Remember

As you probably realize, Sunday mornings are a time where Pastor Chris has a number of things on his mind that he is trying to stay on top of. With this in mind if you mention something to Chris on Sunday morning that you would like him to follow up on later in

the week, please write him a note, text, or email as he may not remember it after he leave the building on Sunday. The same goes for other comments throughout the week. Pastor Chris does try and keep record and lists of all the items he has committed to, but if it hasn't been written down or left a paper trail there are no records for him to fall back on.
