

Many Reasons For Thanks This year!

One of the biggest for us is that Louise Fitch has graciously accepted the role of grant coordinator. She is a force to be reckoned with and full of energy to find entities to be excited with us about TS! It is not an easy position to fill and she has already put in countless hours hunting down leads. If you see her, please give her all the thanks in advance.

Two Important Items of Note:

1) Debbie Kanar, our Vice President, is updating the records for machine loan outs. Most of the records are woefully outdated.

How can you help? If you have a machine on loan, sewing or serger, please contact her at debbie.kanar@bhhsgeorgia.com

She needs your name, type of machine and model number. Workshop leaders if you know of anyone, you can also let her know.

2) This is an excerpt from an email from our storage place.

Subject: An Exciting Update from Midgard Self Storage!

Thank you for choosing Midgard Self Storage! Attached to this email is an updated lease with changes that will

take effect on December 1st, 2024. We have attempted to summarize some significant changes within the lease

and are excited to introduce new technology called The DaVinci Lock. To implement this convenient technology,

several updates to our rental agreement are needed, which you will find outlined below.

- Our team will apply a coded DaVinci lock to all units on December 1st, 2024. A third party vendor houses all codes for these locks.
- ONCE THE DaVinci LOCK IS APPLIED, please remove your personal lock on your unit as soon as possible, as we do not allow double locks per section 10 of the lease agreement.
- We regularly walk our properties, to check that units are locked properly. In the event that your unit is not properly locked, we will reach out and notify you. If you do not secure your unit within 24 hours, we will secure it for you and charge a \$25 "Fixed Lock Fee." If your unit is missing the DaVinci lock entirely, we will immediately secure it for you and charge a \$50 "Lost DaVinci Fee".
- A \$50 fee will be added to your account if the Davinci lock is cut, lost, or not returned when you vacate your unit.
- A monthly lock rental fee of \$5.99 will be added on December 1st 2024.
