

News from Business Meeting

There was no business meeting in September

From the Warehouse

Good News!! We were not short of anything this month!! Thanks for all you do. Keep up the good work.

We had a number of beautiful quilts come in that are 36"X36". Please remember that our specifications for quilt are 36"X 45". Also, contrary to good quilting practice, no labels. We have discussed and agreed several times that our donations are strictly anonymous.

We have bought some quilt panels in the hope that we will get more quilts made. They are in the middle unit with the woven fabrics. Please take only what you or your group will make in a month so that everyone can get a few. If the number of quilts we get in increases, we may be able to get more.

This was the last month for creepers and diaper shirts until Spring. We will put fleece sleep sacks in the layettes starting in October.

Needs for this month

Large Tote bags
Sleepers – boys and girls
Gowns - boys and girls
Lapfront shirts – boys and girls
Changing pads
Quilts
Sleepsacks
Sweaters and booties
Socks
