

### **Wishing You a Peaceful and Merry Christmas**

*As we close another year, I would be remiss if I did not thank everyone who is a part of Tiny Stitches for all you have done this year. We not only provided for the needs of the newborns but made sure a family who might have nothing did not have to worry either. Even though we have gotten into the groove of getting things done when we aren't quite sure how to do that, let's pray that 2022 WILL BE a better year. Thanks to each and every one of you for stepping up to make it happen no matter what you do for Tiny Stitches. We could not have done it without you and you are truly appreciated.*

*WISHING YOU A HAPPY HOLIDAY SEASON.*

*Susan*

**To Zoom or not to Zoom**

After much thought and a poll on interest that yielded only a few responses, we have decided to stay with in-person meetings. We will be meeting in January, but then will decide if we will meet monthly or every other month, every quarter etc.
