

## Tiny Stitches, Inc.

### Specifications for Finished Items

These sizes have been adopted because the items are pre-packed in zip lock bags before being put into the tote bags and because they are meant for newborns. If they are too large they will not fit into the bags. If they are too small, they will not fit most babies.

Item	Finished Size	Comments
Lap Pads	14"X14"	Woven cotton with thin batting or flannel inside
Burp Cloths	8 ½ "X 22" See pattern	3 layers- 1 woven cotton + 2 flannel
