

***February, the LOVE month...well, we here at Tiny Stitches are no different.***

***We just have an additional thing to swoon over.***

***We love all things yarn and fabric. We love working with our hands and machines to create beautiful things. And we love those babies even though we will probably never see them or those tiny stitches they wear.***

***So, happy February/Love month/Stitching!***

We have more shelf space now as we are no longer keeping sewing machines at the warehouse to loan out. The idea was brought up to allow those who have

a machine out on loan to purchase it, so that costs of repair would be on sewer not on TS. It was discussed and tabled. (Thank you to Linda Reynolds who is taking our extra fabric that we can't use to Blessed Redeemer, so other organizations can use it)

We made \$800 profit by selling sewing machines that had been donated.

The 2019 operating budget was reviewed and approved.

The workday was a success with warehouse #511 much more organized! Thank you for those who were able to come out and help!

Pam is still in process of all of the paperwork for our grant proposals. Will report when those trickle in.

Quik Trip donated \$250 to our cause!

We are getting all things ready for **the EXPO** next month! Brochures are getting ready to print, Leon and Debbie are getting all things ready and organized for our booth there. Thanks ahead to the volunteers who will man the booth there! Stop by and see them!
