

## From the Business Meeting

The rent on our units has been paid for the year; the next will be in June 2016.

We will check on batting at the after Thanksgiving sale at Joann's. The 50 yard rolls are hard to handle to cut into yard pieces.

Carolyn bought some yarn on sale at Craftsy. We will check there for batting.

We have had some leaks in our storage unit and in the halls. We discussed moving, but agree that would be very difficult, even to move in the same area. We will watch and see what we can do if the leaks get worse and can't be fixed.

We have given out 393 layettes (12,620 items) this year and 94 burials. The count for November was 28 layettes (976 items) and 10 burials.

Susan had a call from a representative of a woodworking group to see if we could use yarn boles (for winding yarns) as a fund raiser. We did not see how we would benefit from it. Susan will check further.

The board was elected unanimously.

Mercy Care has asked for 31 bags for December. They only request bags quarterly but it is a big addition to our needs. We would like to have anyone who can make a few more items so we can meet the needs.

The 31 bags consist of

- 124 each- gowns, sleepers, lap-front shirts, receiving blankets
- 62 each – fabric hats, bibs. Pr. Socks, washcloths
- 31 each - quilts, afghans, sweater sets, changing pads, sleep sacks

We will have a table at the Sewing and Quilting Expo in March. Debbie and Leon will handle it.

We will be giving small afghans with the small bunting burials as a remembrance for the parents. The blankets should be 14" X 14" in white or pastel colors. The rent on our units has been paid for the year; the next will be in June 2016.
