

April is here and with that we will be "switching seasons" like some of us switch our closets out. Some of our heavier winter items will not be put in so that there will be room for lighter summer items. See below for needs.

Our booth at the Expo was a success! \$523.00 was donated and seventy-nine pincushions were given out!

We received a donation of 100-200 yards of baby friendly quilting fabric, with potentially more to come. Ask and it shall be yours!

There are still machines available for use in the warehouse.

Mercy Care responded back to Susan that they are opening a clinic in Chamblee but were not sure of their available storage to keep the layettes.

We are still waiting to hear from Gwinnett Medical Ctr. as to their need, with the upcoming merger.

We discussed that the reason we like for the hospitals to keep the bags intact is due to our mission statement : 'We provide layettes containing clothing and other items to disadvantaged newborns in North Georgia.' This is so they will have everything (clothing wise) they will need to start out life.

In March we donated 34 layettes with 1088 items.

May needs:

boy gowns

boy and girl creepers

boy and girls diaper shirts

Upcoming Meeting Dates

**Pre-pack* -- Wednesday, April 26th, (9:30 Your Extra Attic 130 Peachtree Industrial Blvd, Duluth)

Were you aware that the poem *Monday's Child*, first recorded in A. E. Bray's *Traditions of Devonshire* in 1838, was a kind of a fortune-telling poem for the day you were born? Evidently, I have far to go!

Enjoy! Hope your April and Easter are blessed!

Amy :)
