

Message from Susan:

*This year has been like no other for me as I'm sure it has been for you. However, Tiny Stitches is weathering this pandemic by giving back and supplying all the needs necessary for our layette bags. We gave out only 25 fewer bags than in 2019. There is less fabric in the warehouse but so many of the fabrics used in the completed items have either reduced your stashes or you have been cyber purchasing. Thank you so much for going the extra mile. We could not have done it without everyone working together as a team and BOY what a team. Your dedication, contributions, and the EXTRA work that went into making all of this possible during very, very trying times is truly appreciated. Although it's not over yet, please pray that it will be soon. **HAPPY HOLIDAYS and please stay safe.***
