From the business Meeting

Ruth has submitted the grant application to Jackson EMC Foundation.

For May we gave out 40 layettes (1320 items) and 16 burials. We decided to give out extra bibs and include sweater sets also.

For this year, we have given out 186 layettes (6068 items) and 41 burials.

Marian will not be handling the burials: Diana Davis will take over for her.

Pam Migneault from Hartwell will be doing our grant applications from now on.

We have received several large donations of fabric lately. We will be sorting and shelving it on June 22 at our warehouse work day.

We will buy some cotton sewing thread in addition to the serging thread.

We had a donation of a Pfaff tiptronic sewing machine which we will sell. If anyone is interested in it, contact Susan. If no volunteer wants it, Susan will list it on Craig's list.

Judy McMullen will check into keeping our Facebook page more current.

We will be giving layettes to Mercy Care in July. Any extra items will be welcome.
