Happy Flag Day! (In two Days...the 14th)
I have always loved this day and have been known to spontaneously burst out singing "You're a Grand Old Flag" !

June Meeting Notes

In June we sent out:
44 bags
1290 items
3 burials

Year to date:
217 bags
7059 items
42 burials

Pam Migneault came down from Hartwell to speak to us about ways that we could get word out about what we do. They have run information about the workshops in the local newspaper and also have had special interest articles written in local magazines.

She is also tirelessly working on procuring three separate grants for us. Morgan Stanley, NG Community Foundation and HEMC. We will keep you updated on her progress. A huge thank you for all of the effort she has put in!

We still have machines (both sewing and serger) available to be loaned out. Member Liz Duenas has the following machines for sale: Baby Lock Maria $150 and an Innova 1500d $1100 with all hoops and feet. You can contact her directly at 678.308.5736

Needs for the month
boy and girl diaper shirts
boy and girl creepers/onesies
girl washcloths
girl sleepers
boy gowns

Our two **workdays** have been VERY productive! We have much more to go! We unloaded 8 of 16 pallets, cut, sorted and shelved them but have another 8 to go. A blessing and a challenge all at the same time. Fabric is always a good thing, but we are having to be very creative in where to put it. We have been able to sell four huge containers of fabric we were not able to use to Fabric World. We will be having two more workdays in June to hopefully work on the rest of the pallets. (pictures below of the bounty on the shelves)

Quilters! There is batting to be had in Unit 546! Several rolls of it! (they are on the top shelf)

For those of you who make the bags, we have this cute material in:

Sewers of garments!

All of the above is knit ^
We have more of every color as well! Shelves of flannel and boxes of yarn are yours for the taking as well.
Let's use it up!

Happy Sewing to You!
Amy
