July 2016

There was no Business Meeting in July.

Please Note:

The flannel that is on bolts should only be used for making receiving blankets for the rest of this year. We may not have enough to last if it is used for other things. Changing pads can be made from the strips left after the flannel is cut for blankets. They will have to be pieced to get the right size. There is plenty of French terry for making changing pads. Again the flannel on bolts is for receiving blankets.

In July we gave out 43 layettes (1198 items). For the year, we have given out 322 layettes (10,420 items). We only needed 10 layettes for Mercy Care.
