

News from Business Meeting

Susan Lawson has a source to get toys. Jill will take them to the North Georgia clinics.

Member notes We need diaper shirts and creepers for the summer. Last year we had plenty, but have not gotten any this year.

Teena Orikasa, a traveling nurse, is starting a "Baby Project" to collect money to help needy babies and has offered a donation to us. Jill will follow up.

Mount Zion and the Alpharetta workshop have been getting donations from their respective churches for fabric and yarn, and are allowed to use their materials as they wish. Others are still expected to not use print fabric for entire garments.

Ida reported that Julia from Garan has 18 pallets for us. Kay Bagly will take the clothes and sort them for distribution. We have permission to sell what we can't use as a fund raiser. We are waiting to hear about the freight.

We discussed the missing sewing machines and sergers. There are still several unaccounted for.

A radio station in Cumming has an online list where organizations can list their needs. We will try to get listed.

Fabric World has some white knit and batiste for \$1.99. Ida will get some.

Leon Cusson goes to a knitting group in Gainesville. NE Georgia Medical Center asked them for knitted fetal demise outfits. Jill felt that they would not be suitable and will send several of our fetal demise pouches to them.

A volunteer from Lilburn Workshop has neuropathy in her hands and is no longer able to knit socks. She was making 40 or more pair a month. She also made quilts, but can no longer pin them. It was suggested that she try using basting spray instead. Tuesday Morning carries it at a reduced price.

We will try to set up a warehouse work day to straighten the warehouse to make room for the new fabric.

We have plenty of bibs for the moment, so it is suggested that sewers who are making bibs should make boy lap pads instead for a few months.
