

## News from Business Meeting

Thanks to all who helped with the cutting and stocking the new fabric in the warehouse, especially to the sons, husbands, and friends who came. We took care of about half of the shipment. Debbie Vickers will take some of the remaining boxes and store them in her basement. We will have another work day soon.

There is some mesh fabric which is not stretchable, but can be used when stretch is not needed, or cut larger for pants of 2-part sleepers.

Jane Walker knows someone who stuffs dog beds with trimmings (thread and fabric clippings) from serging. She would like to collect the trimmings from anyone who can save them for her. There will be a bag in the warehouse to put them in. She also has a neighbor who works for Carter's and will see if we can get a contribution from them.

Jill talked with someone who knows of a girl who has moved from an abusive situation in Ohio and is pregnant. Jill will take a layette to her.

The traveling nurse's Baby Project is getting started. She has a website for donations and is hoping for \$3000. If she gets it she will send us \$2000.

A church in Fayetteville wants to start an organization like Tiny Stitches. Debbie, Evelyn, and Ida met with them and gave them advice.

We discussed the request from North Georgia Medical Center for knitted burials. They wanted the burial pouch to put the baby in to take pictures.

Maria asked for volunteers to embroider burial envelopes. Gloria and Pat will make them.

St. Lawrence Church has donated pincushions and afghans. We may get more.

We have had no response from Cornerstone Church so far this year.
