

DEAR AUGUST,
I DON'T WANT ANY TROUBLE
FROM YOU. JUST COME IN,
SIT DOWN AND DON'T TOUCH
ANYTHING

Happy August ALL!

Not sure August is complying, what with a hurricane blowing up the coast and various colleges and schools starting (sort of) and COVID still looming. We are still stitching beautiful things and moms are finding out their babies' needs are being met. THAT is a beautiful thing. (BTW, if you read that meme again, substituting the month with a name, I may or may not have said that to one of my girls when they entered my sewing sanctuary)

FROM SUSAN:

Thanks to all who have provided our needs for the babies since we have been unable to meet for pre-pack or our meetings. It has been overwhelming because either stashes have totally been wiped out or you have kept FedEx/UPS/USPS very, very busy. We are lucky we are able to make items while being "stuck" at home and making a difference as well. I get to smile at some of the really, really cute fabric that is being used and am thankful for ALL of you - no matter what it is you contribute to Tiny Stitches, sewing, knitting, crocheting, snapping, picking up supplies for your members, delivering bags - you are truly, truly appreciated and we are blessed to have such a great group of people in our organization. Thank you for all you do. Susan

Needs for August:

Boy / Girl Quilts
Boy / Girl Afghans
Boy Sleepers

***For those of you who make sleepers and need interfacing for the front where the snaps are attached, there are now two-yard pieces of fusible interfacing available. We are able to get this much cheaper from JoAnn+ buying in bulk. There will be 15 pkgs. soon in the middle unit.

August Distribution:

16 layettes/ 496 items/ 0 burials

Year To Date:

290 layettes/ 9780 items/ 26 burials

Items of Note:

Though I have not been putting the calendar up, I will try and let you know when the next warehouse time will be so that you can drop off or pick up fabric. The next time will be Wednesday, September 2nd. 9-11 am or so

The only other note is to please, when working with knit especially, double and maybe triple check that you have the "right side" of the fabric on the outside.

To close, I wanted to share some of the adorable things that are coming in to go to our little ones. By no means is this necessary, but just so darn cute! Stay Safe!
