Student Athlete Uniform Policy and Contract

At the beginning of each athletic season all students / athletes will be issued a uniform for his / her team. Each student / athlete is responsible for his / her issued equipment and uniform(s). The school views the care and maintenance of uniforms and equipment as a very serious responsibility for all of our student/athletes. Guidelines for Uniforms are as follows:

1. Students / Athletes must keep the uniform number they are assigned at the beginning of the season and at no time may they change their uniform with a teammate without permission of the coach.
2. Students / Athletes must wash and care for their uniform after each game / contest. (Please launder colored uniforms separately from light. Turn uniforms inside/out before washing. Wash all uniforms in COLD water. NEVER place uniforms or warm-ups in the dryer except on low heat).
3. Students / Athletes may only wear the team uniform for scheduled games / contests or for other special events as requested by the coach.
4. At no time may a student / athlete alter or change the original shape or form of the uniform.
