Give this coupon to a friend or family member to redeem on the installation of a new security system and we'll pay a month of your monitoring if you are a security system customer of ours or send you a check if you're a Pro-partner or a surveillance camera customer. Thank you.

Do You Need A Speaker For Your Next Meeting?

-Non Profit Groups -Church Groups
-Crime Watch Groups -Senior Citizens

Are you the organizer, director, or member of a non-profit group has monthly meetings? Need an interesting and informative program? "Reduce Risk And Create A Safer Environment" is our 30-45 minute program designed to not only increase awareness in crime and crime prevention but also the dangers of home fires and travel safety precautions. For more information just give us a call or visit our website.

DID YOU KNOW?... At Disney World thousands of surveillance cameras are used to help keep guests safe and secure. Disney security uses infrared cameras in the dark areas of rides to not only ensure safety but make sure guests don't get off rides. These cameras are monitored by an attractions "Cast Member" working that ride.

Surveillance Camera Facts:
The first surveillance cameras were installed in 1942 at a rocket launch site in Peenemunde, Germany and first appeared in the United States in 1962 in Olean, New York where they were installed in a business district to prevent crime.

Need a second security system or surveillance camera system for your business or home? Use one of our coupons and give us a call!
