

Section One: Executive Summary

Section Two: Overview

a. Overview of the Yangtze River

b. Impact of the Three Gorges Dam

- Three Gorges Dam Project
- Flood Control
- Source of Hydroelectric Power
- Improved Navigation Channels

c. Port Development along the Yangtze River

- Port Development
- Aggressive Port Plans

d. Yangtze River as an Economic Corridor

- GDP and Economic Growth
- Containerization
- Strategic Cities
- Distribution Network and Hinterland Cities
- Impact of Migrant Labor Returning Home

e. Impact of Stimulus on the Yangtze River

- Source of Funds
- Consumer Spending Subsidy Packages
- Stimulus Spending on Infrastructure
- Special Bank Financing

f. Yangtze River Logistics

- Development Zones and Logistics Parks
- Industrial Real Estate Companies
- Expansion of Global 3PL's
- Role of the NVOCC
- Logistics Company Case Studies (CEVA and Menlo Worldwide Logistics)

Section Three: Upper Reaches

a. Overview of the Upper Reaches

- Navigation
- “Go West” Policy

b. Economic Indicators

- Chengdu-Chongqing Economic Corridor

c. Port Development

- Port and Terminal Development
- Sichuan Port Plan

d. Transportation Infrastructure

- Highway Development
- Railway Development
- Bridge Network
- Logistics Opportunities

e. Strategic Cities along the Upper Reaches

Chengdu

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- Existing Railways
- New Railways
- Chengdu Shuangliu International Airport

5) Logistics Landscape

6) Leading Companies Located in Chengdu

Yibin

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- New Railways
- Existing Bridges
- Yibin Caiba Airport

5) Logistics Landscape

6) Leading Companies Located in Yibin

Luzhou

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- Existing Bridges
- New Bridges
- Luzhou Lantian Airport

5) Logistics Landscape

6) Leading Companies Located in Luzhou

Chongqing

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- New Railways
- Existing Bridges
- Chongqing Jiangbei International Airport

5) Logistics Landscape

6) Leading Companies Located in Chongqing

Section Four: Middle Reaches

a. Overview of the Middle Reaches

- Navigation
- Booming Central China Policy

- Three Gorges Dam
- Key Cities

b. Economic Indicators

- Distribution Hub

c. Port Development

- Port and Terminal Development

d. Transportation Infrastructure

- Highway Development
- Railway Development
- Bridge Network
- Logistics Opportunities

e. Strategic Cities along the Middle Reaches

Yichang

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- Existing Railways
- New Railways
- Yichang Three Gorges Airport

5) Logistics Landscape

6) Leading Companies Located in Yichang

Wuhan

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- New Railways
- Existing Bridges
- New Bridges
- Wuhan Tianhe Airport

5) Logistics Landscape

6) Leading Companies Located in Wuhan

Jiujiang

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- New Railways
- Existing Bridges
- New Bridges
- Jiujiang Lushan Airport

5) Logistics Landscape

6) Leading Companies Located in Jiujiang

Wuhu

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- Existing Bridges
- New Bridges

5) Logistics Landscape

6) Leading Companies Located in Wuhu

Section Five: Lower Reaches

a. Overview of the Lower Reaches

- Navigation
- Key Cities

b. Economic Indicators

- Nanjing Metropolitan Circle
- Suzhou-Wuxi-Changzhou (SuXiChang) Metropolitan Circle

c. Port Development

- Port and Terminal Development

d. Transportation Infrastructure

- Highway Development
- Railway Development
- Bridge Network
- Logistics Opportunities

e. Strategic Cities along the Lower Reaches

Nanjing

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- Existing Railways
- New Railways
- Existing Bridges
- New Bridges
- Nanjing Lukou International Airport

5) Logistics Landscape

6) Leading Companies Located in Nanjing

Zhangjiagang

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Railways

5) Logistics Landscape

6) Leading Companies Located in Zhangjiagang

Nantong

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- Existing Railways
- New Railways
- Existing Bridges
- New Bridges
- Nantong Xingdong Airport

5) Logistics Landscape

6) Leading Companies Located in Nantong

Taicang

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Railways
- Existing Bridges

5) Logistics Landscape

6) Leading Companies Located in Taicang

Section Six: Yangtze River Delta and Coastal Ports

a. Overview of the Yangtze River Delta and Coastal Ports

- Navigation
- Key Cities

b. Economic Indicators

c. Port Development

- Port and Terminal Development
- Jiangsu Ports
- Zhejiang Ports
- Shanghai vs Ningbo

d. Transportation Infrastructure

- Highway Development
- Railway Development
- Bridge Network
- Logistics Opportunities

e. Strategic Cities along the Yangtze River Delta

Shanghai

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- Key City Expressways
- New Highways
- Existing Railways
- Shanghai Rail Cargo Handling Stations
- Existing Bridges and Tunnels
- Shanghai International Airports (Hongqiao & Pudong)

5) Logistics Landscape

6) Leading Companies Located in Shanghai

Ningbo

1) Overview

2) Economic Indicators

3) Port Development

4) Infrastructure Development

- Existing Highways
- New Highways
- Existing Railways
- New Railways
- Existing Bridges
- Ningbo Lishe Airport

5) Logistics Landscape

6) Leading Companies Located in Ningbo
