

# Scope of Appointment Confirmation Form

Page 1 of 2

Medicare requires Licensed Sales Representatives to document the scope of an appointment prior to any sales meeting to ensure understanding of what will be discussed between them and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential. A separate form should be completed for each Medicare beneficiary.

**To ensure your appointment focuses only on those Medicare and health-related products you want to discuss with your licensed sales representative, please indicate by checking the appropriate box(es) beside the product(s) in which you are interested.**

By signing this form, you agree to a meeting with a Licensed Sales Representative to discuss the types of products you checked above. Please note, the person who will discuss the products is either employed or contracted by a Medicare plan. They do not work directly for the federal government. This individual may also be paid based on your enrollment in a plan.

Signing this form does NOT obligate you to enroll in a plan, affect your current or future Medicare enrollment, or enroll you in a Medicare plan.

## Stand-alone Medicare Prescription Drug Plans (Part D)

**Medicare Prescription Drug Plan (PDP)** — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private Fee-For-Service Plans, and Medicare Medical Savings Account Plans.

## Medicare Advantage Plans (Part C) and Cost Plans

**Medicare Health Maintenance Organization (HMO)** — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

**Medicare HMO Point-of-Service (HMO-POS) Plans** — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copayment or coinsurance.

**Medicare Preferred Provider Organization (PPO) Plan** — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

**Medicare Private Fee-For-Service (PFFS) Plan** — A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

**Medicare Special Needs Plan (SNP)** — A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

**Medicare Medical Savings Account (MSA) Plan** — MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

**Medicare Cost Plan** — In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

## Other Related Products

**Dental/Vision/Hearing Products** — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

**Hospital Indemnity Products** — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray co-pays/co-insurance. These plans are not affiliated or connected to Medicare.

**Medicare Supplement (Medigap) Products** — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare (Parts A and B) such as deductibles and co-insurance amounts for Medicare approved services.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in these plans depends on the plan's contract renewal with Medicare.

UnitedHealthcare Insurance Company complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
