Parish Council Minutes February 18, 2014

The meeting was called to order by TJ Greene at 7:00 PM.

Attendance:

Fr. Randy Summers, TJ Greene, Ryan Rahe, Linda Siefert, Amy Tonges, Andy Eckstein, Thomas Geis and Leron Giesting.

Opening Prayer:

The opening prayer was given by Fr. Randy Summers.

Approval of Minutes:

A motion was made by Father and seconded by Thomas Geis to approve the minutes. A copy of the minutes will be placed in the binder in the back of church and emailed to the parish secretary.

Pastor's Report:

All committee members need to review the online reports and make sure the minutes are up to date. If you notice that your reports are not on the website, please email them to Michelle and let her know you need them uploaded to the site.

There are plans to add a garage to the side of the rectory. This will likely take place this spring or summer.

New Business:

There were a few topics brought up that will need to be considered for future project. These items will be discussed during the budgeting process with the Finance Commission.

One project that needs to be considered in the next couple of years is the re-painting of the Church. It has been many years since this was done and the church is beginning to show some wear.

Finally, we will need to discuss whether or not to upgrade the parish office. The benefit of new construction or renovations would be to create larger meeting spaces for committees or school groups.

Reports:

The school commission, finance, and parish council reports were emailed to all council and committee members for review. (That report is attached to these minutes.)

Old Business:

Spread the word. Two new parish council members will need to be elected this summer.

Closing Prayer:

The closing prayer was led by Father Randy. The next parish council meeting is scheduled for April 15th in the back room of the Parish office.
