

Parish Council June 17th Minutes

Fr. Randy opened the meeting with a prayer. Minutes from last meeting were approved by Linda Siefert and Seconded by Fr. Randy. Since T. J. and Ryan will be going off of council discussion was held on how to get two new members. Also, the Faith Formation and Parish Life representatives will also change in August as their terms are ending and the newly elected chairperson will join the council. It was suggested that we talk to new church members from the RCIA program

A suggestion was made that in order to recruit new members to the council and other commissions we should have a booth at the Parish Festival manned by members of the various commissions. Possibly with a split the pot – buy a ticket – receive a free Parish Pictorial book. It was also recommended that Amy Tonges should look into the cost of getting tee shirts for each committee member to be worn at special events. T-shirts would say – Ask me about Parish Council or Faith Formation etc.

Father stated that they would be removing the bricks in front of church and replacing these with a new concrete surface which should start by the end of June.
