Parish Life: We still do not have a Chairperson, the current members are good with working on the committee, but do not care to lead.

Handicap Doors: These are in the works, Scott Weekly is looking for the best way to fund this project. We have the ramps and parking for the handicap, it only makes sense to have the doors handicap assessable also.

Anniversary of the Parish 2018:

Father suggests that we plan this event on the Feast of Saint Louis. This will be the 150th year of our Parish. There is no date as of the date of the parish. We will need to have a chairperson and a committee to plan, we need to get a committee because there will be a lot of work involved in an event this size. It was discussed that this should be an activity for Parish Life and/or Faith Formation.
