KNEFLIN-DILLHOFF-HILS & KRUSE
INSURANCE AGENCY, INC.

KDHK Insurance Agency in conjunction with Home Helpers management has developed an insurance program to better serve your needs as a business owner. As a member of one of the fastest growing franchises, the Home Helpers Brand Name has allowed KDHK Insurance to find the best carriers in terms of coverage, pricing and claims service. The strength of the entire group will afford each franchise the same benefits a large commercial account receives.

Why make the change

- **Experience** –The Dillhoff Agency was founded in 1905; the Geile Hils & Kruse Agency began in 1937 and the Kneflin Agency was established in 1953. Due to our ongoing desire to better serve our clients, we combined as one agency in November 1992. The Company has grown to a full service Insurance Agency.
- **Service** – A dedicated team ready to take the time to walk you through everything from Coverage questions to Claims adjusting. New franchisees will meet and learn from our staff during the application process. Existing franchisees will get to know us through coverage reviews at your upcoming renewal. We are also here year round to serve your needs as issues arise.
- **Coverage & Pricing** – KDHK Insurance has proactively pursued the best carrier option on your behalf. Whether you have a Claims-made or Occurrence Policy we can help you. Each franchisee is important to us but using your size as a collective unit increases your buying power allowing KDHK Insurance to negotiate better coverage and pricing on your behalf.
