What is a Curse?

- Defined as uttering a wish of evil against one; to imprecate (invoke) evil; to call for mischief or injury to fall upon; to bring evil upon; to blast, vex, harass or torment with great calamities
- Curses are usually linked to disobedience and rebellion

But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:

(Deuteronomy 28:15)

- There are more curses quoted in the Bible than there are blessings

Mass Deliverance

- Demons are like air. They are usually expelled by the exhaling of breath
- Demons can have nests in the body which has substance. They are usually expelled by blowing of nose or coughing up phlegm
- Demons can temporarily take over our body and manifest their characteristics
- Do not pray in tongues or chant (repetitively phrases)
- Do not hold back or be embarrassed while being ministered to. Exercise your mind and will to be delivered
- Deliverance is not prayer. You command the demons to go in JESUS' Name. He will not cast the demons out. He has given us that authority and He expects us to use it.
- Do not start a conversation with the person during mass deliverance
- **It is not the loudness of a command that moves the demon, but the authority of the NAME and BLOOD of JESUS CHRIST**
