

FOR SALE

JUBEA CHILIENSIS PALMS

**SOLD BY THE TRUNK FOOT
IN LOTS OF FIVE PALMS**

- Buyers may select the rows that they wish.
- Seller will offer free digging with the use of a tree spade, creating approximately a 60" diameter root ball.
- Seller will assist in loading palms onto your truck.
- Buyer must be prepared to bundle the root ball at the time of digging. (Burlap and wire, plastic wrap, etc.)
- Digging and loading must happen on the same day.
- Since the palms slightly vary in height, the price shall be determined by the total trunk feet per row. Average trunk height (ground level to the base of the newest spike) per palm is approximately 2.5 feet.
- Price is \$450.00 per trunk foot.
- There are 13 rows of 5 palms available.
- You may arrange to tag your row/rows of 5 palms while they last.
- Grove is in Temecula, CA.
- Contact Keith Huber at Palm and Cycad Exchange at 760-525-5148 for an appointment to view.
