

Sunday School Class Descriptions

In our Church, Sunday School is the primary way we make disciples of Jesus Christ. We believe it is very important to get involved in a small group that regularly prays and studies the Bible together. We offer a variety of classes from which to choose. Feel free to visit several classes in order to determine which one will be the best fit for you.

The Gospel Project is a Bible study resource that invites Students and Kids of all ages to dive deeply into God's story of redemption through Jesus Christ. In every lesson, participants are immersed in the gospel and learn how when the gospel works on them, they become a part of the story, too, the very hands and feet in God's gospel project.

All of our children's classes use ***The Gospel Project*** curriculum. We have two children's classes that meet on the 2nd floor. We also have nursery available for children 2 years of age and younger in room 211.

Our middle and high school Sunday School Class uses ***The Gospel Project*** curriculum. This class is taught by Whitney Diehl and is for students in the 6th grade to the 12th grade. The class meets on the 3rd floor of the Sanctuary building.

The Hall of Faith: Hebrews 11 is a class taught by Steve Mullins and Adam Diehl and is made up of couples and single adults. The class meets in room 205.

The Commands of Christ is a class taught by Donald Dickert and is made up of couples and single adults. The class meets in room 214.

Explore the Bible is a book-by-book Bible study for Sunday School classes of all ages that takes participants deep into the context of God's Word and challenges them to live it out in their own context.
