

Snowstorm Cancellation Policy for the First Congregational Church of Scarborough

If it is snowing heavily on Sunday morning, or if it has been snowing heavily on a Saturday evening, and you're wondering if Sunday worship has been canceled, please call the church office at 883-2342 before venturing out. Rev. Gagnon will either be there to answer the phone or he will leave a message on the answering machine by 8 a.m. to let you know if the service has been canceled. If the message on the answering machine has not been changed and does not report that worship has been canceled, there will be a service of some kind (although it might be an abbreviated one) that morning.

Please note that even if it has stopped snowing by Sunday morning, it's quite possible that deep snow has drifted against the doors of the church building, making it impossible to get in, or the church parking lot hasn't been plowed yet and can't be used. So you are encouraged (especially if you are traveling from a distance) to call the church office before coming to church.
