

Total floor lift **Ergolift II**

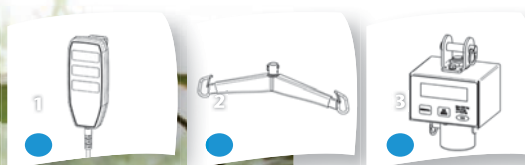

Looking for a high quality, mobile floor lift that can lift 400 lb (182 kg) and handle the majority of your needs? With its motorized features and easy maneuvering capability, the Ergolift is the one for you!

Its ergonomic shape and outstanding features give you the opportunity to use the Ergolift anywhere, at anytime. Plus its wide opening base allows easy access to wider bariatric chairs.

For bariatric needs, the Ergolift 600 WO with its wider base offers a lifting capacity of 600 lb (272 kg).
