

1. Place paper in the portrait position.

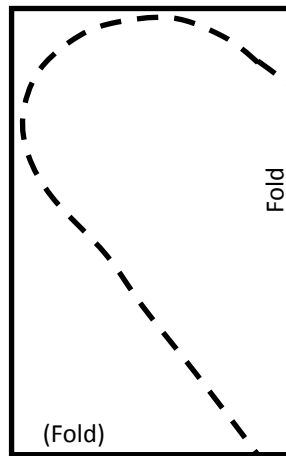

2. Fold paper upward at about 4 1/2" from the bottom.

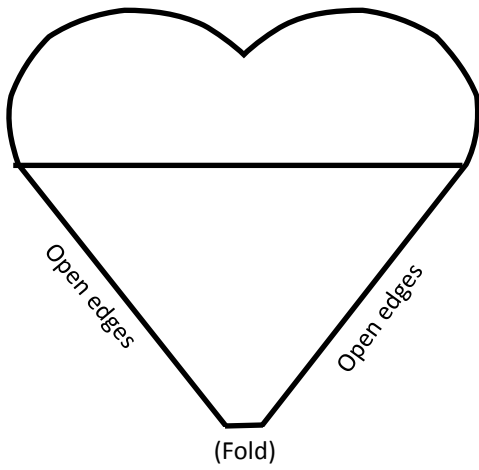

3. Fold sideways with the pocket formed by the fold in step 2 now inside the folded page.

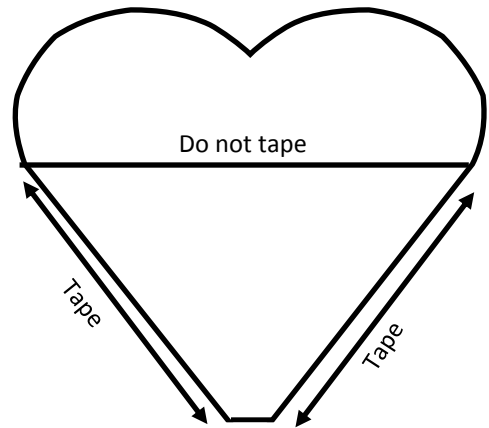

4. Draw and cut out half a heart. Do not cut on the fold.

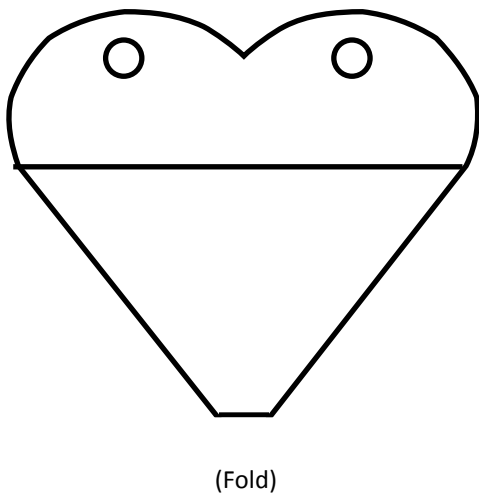

5. Open the heart.

6. Tape the sides to seal the open edges. Leave the opening at the top to form a pocket.

7. Punch a hole in the top of each side of the heart.

8. Thread yarn through holes and tie a knot to form a hanger.
