From the Associate Pastor

If you weren't able to worship with us in December, then you haven't been able to see the way the Decorating and Christian Arts Committees transformed the sanctuary to enhance our Advent/Christmas celebration. If you've missed it, then you still have this week, Epiphany Sunday, to see them. Thank you to the individuals on those committees who had a vision to do something different than we've done before and then used their creative talents and worked together to implement that vision. Thank you to the individuals who made the gorgeous Chrismons for the two trees and for including the Kingdom Kids in their making. Thank you to the many hands that folded the origami paper cranes that hang from the ceiling. Particularly since the end of World War II, paper cranes have become a symbol of peace and hope. In our sanctuary, they remind us that we worship the one who is the Prince of Peace. The flickering lights that grace the altar and platform remind us that we are called to be lights in our world. I like that those lights come in all different sizes and shapes because that's the way we come too. All of us, no matter our size or shape, are called to be bringers of peace and light in our world. It will be exciting to see how that call plays out in the life of Broadus Memorial Baptist Church in 2019.

*Journeying with you,
Margarete*
