Pastor's Corner

Fellowship

This coming Wednesday we will be restarting Wednesday Evening Fellowship (WEF). On Wednesday nights we gather together for dinner then break for a study for adults and a class for the kids. It is a great time to see each other during the week and to catch up. There is a long tradition in the church of sharing meals together. Part of the reason probably is because we all have to eat, but I also think that sharing a meal allows us to get to know one another.

Of course fellowship does not just have to happen on Wednesday night. Fellowship happens when we invite others into our homes, when we visit those in our church, or when we just spend time together. Fellowship is important because it holds us together. We are not called to be just an intellectual study group or a random collection of people. We are called to be a church family. One of the ways we become a family is through getting to know one another.

Fellowship hopefully is something that comes natural to us. Often it is just making time and space for it. So, whether it is Wednesday night, a holiday party, or just catching up over coffee, our time spent with each other is important. It is part of what makes us church.
