Soccer is an ideal sport for young players. The game is easy to learn, contains constant activity, and provides plenty of opportunity for players to run and learn skills. KidsPlay hosts small-sided games and scrimmages allowing for plenty of touches on the ball. Even at introductory levels, our coaches are adamant about teaching basic support and teamwork. No Blob Soccer is allowed! The philosophy of PC Soccer and Level 1 Soccer stresses skill development and learning in a fun and friendly atmosphere. KIDSPLAY 3 on 3 BASKETBALL LEAGUE (AGES 6-9)

In many respects, 3-on-3 basketball is superior to the traditional 5-on-5 game. The 3 on 3 format gives players more touches on the ball and makes basketball easier to understand and play. Development of strong dribbling, passing and shooting skills is our primary focus at this age level. In KidsPlay leagues, emphasis is placed on learning, building skills, and having fun more than winning or losing. All players receive equal amounts of instruction and play at least 50% of each league game. A KidsPlay basketball shirt is included in the program fee.
