

**1- Online registration in Williamsville will begin this Wednesday, September 8th @ 8AM at: <https://williamsville.augusoft.net>**

***I anticipate fall NFL Flag and soccer to fill quickly— if you intend to register for one of those programs, my advice is to do so Wednesday morning to help insure you aren't waitlisted.***

**2- For a number of Covid-related reasons, all soccer will be held outdoors this fall. It was challenging to get an outdoor schedule together that (hopefully) will be convenient for KidsPlay families and also conclude before DST kicks in. The big changes: U8 Blue Soccer will now meet on Saturday mornings and weeknight Level I Soccer will meet Wednesdays and Thursdays over 4 weeks.**

**3- As of this morning, masks will be optional for all outdoor programs and mandatory for all indoor programs starting later in the season. We'll continue to adhere to any new restrictions given to us by the Williamsville District and/or the ECDOH.**

**As always, please call/text me at 480.2374 or email [kidsplay@me.com](mailto:kidsplay@me.com) if you have questions regarding any of this information**
