## **KIDSPLAY PC SOCCER (AGES 3 - 4+ PARENT) & SOCCER LEVEL I (AGES 4- 6)**

Soccer is an ideal sport for young players. The game is easy to learn, contains constant activity, and provides plenty of opportunity for players to run and learn skills. KidsPlay hosts small-sided games and scrimmages allowing for plenty of touches on the ball. Even at introductory levels, our coaches are adamant about teaching basic support and teamwork. No Blob Soccer is allowed!

The philosophy of PC Soccer and Level 1 Soccer stresses skill development and learning in a fun and friendly atmosphere. Half of each class is devoted to fun instructional training/games with the remaining half devoted to scrimmage. Two KidsPlay coaches teach a maximum of 22 children in each class. Special emphasis is placed on the development of dribbling, receiving and passing/support skills. League games are played v 5 allowing for maximum touches on the ball and plenty of playing time for all players. After a basic evaluation session conducted during Week #1, an even amount of experienced and inexperienced players are distributed onto all teams. KidsPlay does not rely on volunteer coaches. All game and practice sessions are coordinated by 2-3 KidsPlay coaches.

Players meet once each week for a 30-40 minute training session followed immediately by a game that lasts 35-45 minutes. In many respects, 3-on-3 basketball is superior to the traditional 5-on-5 game. The 3 on 3 format gives players more touches on the ball and makes basketball easier to understand and play. Development of strong dribbling, passing and shooting skills is our primary focus at this age level. In KidsPlay leagues, emphasis is placed on learning, building skills, and having fun more than winning or losing. All players receive equal amounts of instruction and play at least 50% of each league game. A KidsPlay basketball shirt is included in the program fee.
