This program offers a safe and loving environment for children as they enter into the fun and fascinating world of preschool. Children are introduced to the preschool setting and routine. They become accustomed to separation from their parents and learn to enjoy time with new friends and teachers.

- Children begin to explore the earliest elements of literacy, through books, felt boards, puppets, and songs.
- Activities such as art, music, finger plays, and story time revolve around a monthly classroom theme.
- Crafts and Bible stories are introduced.
- Children spend time on socialization skills.
- Activities focusing on fine and gross motor skills are introduced.
- Music is incorporated throughout the day.
- Children visit the playground daily to promote gross motor skill development through climbing, running, and playing.
- Weekly Specials include Chapel, Music, and Storytelling.

**Mondays may be added as a third day of school once a child turns 2 years old, if space is available. This class typically begins in December or January each school year, depending on interest level. The teacher/student ratio is 10:2.*
