Congratulations on your engagement! We understand you have many things to consider when planning your wedding, so we have compiled a quick list of frequently asked questions for your review. For more detailed information, please contact the church office.

How do I reserve the chapel for our wedding?

Please contact the church office at 770-813-9009. Please note that we have three requirements that must be met before the date can be confirmed on the calendar. Please pick up a wedding manual from the church office.

The following days and weekends surrounding these holidays are not available for weddings: New Year's Day, Holy Week, Easter, Memorial Day, Fourth of July, Labor Day, Thanksgiving (including the Friday after Thanksgiving), Christmas Eve, Christmas and the week between Christmas and New Year's.

May I reserve the chapel if I'm not a member of JCPC?

Yes, however there are some scheduling restrictions for non-members and a non-refundable deposit of \$400 will be required. Other rental fees apply. Weddings at JCPC are for those who are connected to the church in some way. This includes extended family members of JCPC members, those actively involved in the life of JCPC, and those presently attending JCPC who are considering membership.

Do you have wedding coordinators?

Yes! We provide one lead coordinator and one assistant who will offer guidance throughout the planning process and will assist with the rehearsal and coordinate the wedding ceremony.

Is there a set Order of Worship for the Wedding Ceremony or may we choose some elements?

Upon scheduling the wedding date with our church office, the bridal couple will arrange a meeting the senior pastor to discuss the worship order. Musical selections, inclusion of any soloists and questions will be discussed with the church organist in advance of the ceremony.

Are photography and videography allowed during the service?

Yes, but only by the official wedding photographer/videographer. See the wedding manual for the guidelines.
