April Events

April certainly was an action-packed month! It began with Spring Break, then class pictures with Ken Rada Photography. We celebrated Easter and the resurrection of Jesus. And we finished the month with our always awesome Trike-a-thon and Art Show!

Trike-a-thon Donations

Our Trike-a-thon and Art Show was a big success! The weather was perfect and the children had a wonderful time riding, jumping, getting their faces painted and enjoying snow cones. We appreciate all of our hard working volunteers. We could not host an event like this without you! Also, thank you very much for all of the generous donations. If you would still like to contribute, it is NOT too late. Donations are due by May 16.

2019-2020 School Year

We have limited openings for the 2019-2020 school year. If you or someone you know are interested in the preschool, please have them call us or check our web site for information. New families are welcome to call and schedule a tour.

Returning Students

You will receive a packet in May that includes your May 2020 tuition statement as well as information about the upcoming school year. The school calendar and parent handbook will be available online in early August. If you have any questions, please let us know. We look forward to having you back!

Friday Adventures

We will continue to offer Friday Adventures through the last Friday of school, May 10th. If your child needs a little extra time having fun and learning, please let us know!

Playground Use

You are welcome to use the playground this summer. Just remember the playground rules: Leave all the riding toys in the fenced-in area, use the equipment appropriately, and be sure to

supervise your children at *all times*. We do not have normal business hours during the summer, so bathrooms will not always be available. The playgrounds are open for your use except when our summer camps or the church's camps are in session.

Summer Camps

Tips for Reading All Year Long

Did you know?

- * Children who are read to at an early age are more successful in school and have bigger vocabularies when they enter school.
- * Reading aloud to infants and children encourages social, emotional, and cognitive development.
- * The ability to learn language skills is greatest before the age of six.

Saying Good-bye is never easy ...

May Bible Verse

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

CONGRATULATIONS to our graduating students. We are sad to see you go, but know you will all be successful in your new school!

We wish all of you a very happy summer!!
