

## 2020-2021 VIRTUAL Pre-K Class

Announcing our new optional Virtual Pre-K class, for those students who are not able to attend in-person preschool at this time. While we believe an in-person, face-to-face preschool experience is best for children, we also know that the COVID-19 pandemic has made it difficult for some children to attend.

We're excited to be able to offer this option for families everywhere. If you have friends or family who are not able to attend Pre-K, please invite them to join your child in our virtual class! As always, contact us with any questions.
