

Preschool Registration Information

2024-2025

****Celebrating our 30th Preschool Year****

We are pleased your family is considering Johns Creek Presbyterian Preschool for your child's preschool experience. Please contact the Preschool office at 770-476-1166 or preschool@jcpcusa.org with questions or to schedule a tour.

The mission of the preschool is to provide young children a quality social and educational experience in a safe, warm, loving Christian environment.

- **Classes are filled on a first-come, first-served basis.**
- **When registering on-line, the Registration form and Payment Policy must be electronically signed and submitted.**
- **Once registered, we will apply the non-refundable registration fee which will be due within three days to secure your child's spot in a class.**

-
- Preschool hours are Monday – Friday 9:05 – 1:05 for ages 1-3; 9:15 – 1:15 for Pre-K & Young 5's.
 - Johns Creek Presbyterian Preschool's curriculum is based on a variety of enrichment activities, games, and materials used to create an atmosphere which fosters your child's individual intellectual, social, emotional, physical, cognitive, and spiritual development.
 - The preschool seeks to integrate a spiritual and Christian dimension in all areas of learning.
 - Our teacher-student ratios continue to be some of the lowest in our area, which will give your child the personal learning style you desire.
 - We continually update our curriculum based on Georgia standards. Our play-based curriculum is designed to incorporate these standards, while creating an age-appropriate environment in which children feel safe to learn and explore.
 - Written evaluations are conducted mid-year for the 3-year-old, as well as the Pre-K and Young 5's classes. Kindergarten readiness will be reviewed with the Pre-K and Young 5's parents.
 - We follow Fulton County school calendar for most of our holidays. However, we do take Forsyth County's Fall Break to accommodate our large number of students and staff from Forsyth. The full 2024-2025 calendar will be available in late Spring.
 - Printed copies of our curriculum are available upon request.

Parent Survey Comments

Each year we survey parents for their thoughts and comments, to help us continually improve our programs. We are proud to share a sample of recent comments below:

- *“Fantastic program. My daughter’s lead teacher really made her flourish and grow, and the love that her Assistant has for the children is unstoppable. I feel so blessed to have had my daughter’s life touched by these amazing ladies. She has a fantastic foundation to move forward on.”*
- *“This was the first year for my son in this school and it has been one of the best times for him. The school has done wonders for him. His teachers have been a delight. Words are not enough to express my gratitude towards them.”*
- *“I feel blessed that my children are at a school where they are known and loved.”*
- *“The school staff very kindly treated my son through all programs even though he does not communicate with teachers in English well. We hope he fully follows the program, but even if he only understands it partially, we are sure it must be his great foundation for his upcoming life.”*
- *“Everyone has always been super accommodating and wonderful, which is why we returned for our younger child this year. He absolutely loved it and we never felt like we were lost in the masses.”*
- *“My daughter and I loved her teachers! She learned SO much this year – more than I ever expected or imagined she would learn at preschool. She loved her teachers and I’m so grateful to be able to drop her off somewhere I know she’s loved well. I really enjoyed all the staff I met at JCP Preschool!”*

Class Offerings

Younger One's

Must be 12 to 18 months by September 1

2 days: Tuesday / Thursday

Student/Teacher Ratio 8:2

Once a child turns two, the MW class or Friday may be added if space is available*

This program offers a safe and loving environment for infants 12 months to 18 months. Children are able to acclimate to the preschool setting and become accustomed to separating from parents. They become comfortable with our routine, new friends, and teachers. Children spend time on socialization skills and are introduced to a variety of stimulating activities focusing on fine and gross motor skills. Children will begin their first experiences in literacy facilitated with felt boards, puppets, and songs. Music is incorporated throughout the day. Crafts and Bible stories are introduced. Playground facilities are used daily to promote gross motor skill development through climbing, running, and playing. Specials include weekly Chapel, Music, and Storytelling.

Older One's

Must be 18 to 24 months by September 1

2 days: Monday / Wednesday

Student/Teacher Ratio 10:2

Once a child turns two, the TTh class or Friday may be added if space is available*

The children will begin the year by exploring their environment and getting acquainted. They begin to work on socialization skills such as sharing and cleaning up. This class will concentrate on one theme per month. Many activities such as art, music, finger plays, and story time will all revolve around the assigned theme. Older One's use our outdoor facilities including the playground, outdoor chapel area, and green space. Outdoor play encourages gross motor development, taking turns, and exploration of the natural world. Bible Stories and Music will be shared with this young group every week in the classroom. Specials include weekly Chapel, Music, and Storytelling. Older One's activities build on skills described above.

One's on Friday*

Student/Teacher Ratio 10:2

*The state of GA allows 1-year olds to attend school no more than eight hours per week. Once a child turns two, extra days may be added depending on availability. The Friday class content is similar to the Older One's program. It may be added as a third day once a child has turned two years old. Depending on the interest, this class may begin in December or January.

Two-Year-Old Program

Must be 2 years old by September 1

2 days: Tuesday / Thursday

3 days: Monday / Tuesday / Thursday (integrated into the M-Th class)

or Monday / Wednesday / Friday

4 days: Monday -Thursday

5 days: Monday - Friday

Student/Teacher Ratio 10:2

We offer your 2-year-old child a variety of new experiences geared for this stage of development. The curriculum includes many forms of art media, music, finger plays, story time and play experience. Self-help skills like dressing, feeding themselves and putting away toys are incorporated to help encourage responsibility and build self-esteem. We feel this curriculum, along with love and praise, will encourage learning as a creative life-long process, which begins in play and flourishes in wonderment through firsthand and hands-on experiences for your child. Specials include weekly Chapel, Music, and Storytelling.

Three-Year-Old Program

Must be 3 years old by September 1

2 days: Tuesday / Thursday (integrated into the MTTh class)

3 days: Monday / Tuesday / Thursday

4 days: Monday - Thursday

5 days: Monday - Friday

Student/Teacher Ratio 12:2

We offer a wide variety of experiences directed toward the needs of the 3-year-old child. Social skills, language development, listening skills, sensory, perceptual and gross motor development are the major goals of this program. Our curriculum includes many creative activities for developing fine motor skills. We use all forms of art media, music, games, finger plays, literature, sensory experiences, and play. The children will be provided with academic activities to reinforce their understanding of basic shapes, colors, numbers, and name recognition while introducing early literacy and math skills through age-appropriate material. All activities are geared to the developmental success of a 3-year-old child. **Children in the 3's must be fully potty trained.** Specials include weekly Chapel, Music, and Storytelling, as well as bi-weekly MEGA Fun! and Science (due to limited time, Science and MEGA Fun! are not offered to the 2-day class).

Pre-K Program

Must be 4 years old by September 1

3 days: Monday / Tuesday / Thursday (may be integrated into the M-Th class)

4 days: Monday - Thursday

5 days: Monday - Friday

Student/Teacher Ratio 14:2

Our Pre-Kindergarten program is designed to meet the needs of children as we prepare them for future Kindergarten experiences. We use many creative activities which include the use of scissors, crayons, glue, paint, and blocks. Imaginative housekeeping play, cooking activities, science experiments, music, language and social development, as well as a love for literature, will be encouraged throughout the year. Our curriculum also includes a multi-sensory approach to mathematics and language/reading readiness skills. An emphasis on fine motor skills with special attention to writing using Handwriting without Tears is included. Responsibility for personal items and space is emphasized. Children in Pre-K must be fully potty trained. Specials include weekly Chapel, Music, and Storytelling, as well as bi-weekly MEGA Fun! and Science.

Young 5's Pre-K Program

Must be 5 years old by September 1

(if space is available, a child turning 5 in early Fall may be admitted)

5 days: Monday – Friday

Student/Teacher Ratio 14:2

Similar to the above program, the Young 5's Pre-Kindergarten program is designed for those children with Spring and Summer birthdays who desire an extra year before moving on to Kindergarten. The curriculum consists of different themes from the Pre-K classes. As is the case in all Pre-K programs, the themes are supported by art, science, literature, religion, and music/movement activities with an emphasis on math and reading readiness with special attention to writing using Handwriting without Tears. Children in the Young 5's must be fully potty trained. Specials include weekly Chapel, Music, and Storytelling, as well as bi-weekly MEGA Fun! and Science.
