

## Johns Creek Presbyterian Preschool Summer Camp - 2019

We are pleased that you are interested in enrolling your preschooler(s) at Johns Creek Presbyterian Preschool for summer camp. Our summer camps are not only a fun way for your child to spend a week, but also can help those children new to preschool become familiar with the school environment. Please complete the attached registration form, and return it along with your payment. Registration is on a first-come, first-serve basis and payments are non-refundable and non-transferrable. There is no registration fee or activity fee for camp.

The following classes are for children based on their age as of September 1, 2019:

Session by age	Weekly Tuition	15% Discount on Younger Sibling	Days The Camp Is Offered	Times	Student: Teacher Ratio
2's	\$110.00	\$16.50	M/T/Th	9:15 - 1:15	10:2
3's	\$150.00	\$22.50	M - F	9:15 - 1:15	12:2
4's	\$150.00	\$22.50	M - F	9:15 - 1:15	14:2
5's & 6's	\$150.00	\$22.50	M - F	9:15 - 1:15	14:2

Summer camps feature theme-based activities in the classroom and outdoors, as well as a daily visit to the Explore Room - an exciting, enriching space where children are able to discover, investigate and encounter the camp theme through imaginative play. Each day at camp your child will experience an interactive puppet show with action-filled songs, theme-based stories, and rhyme-infused rhythm.

### **June 3-7: Watch Me Grow**

From plants to animals to people, children will discover how living things grow through interactive caring for plants, nurturing of animals, and discovering how we grow.

### **June 17-21: Incredible Me**

Children will learn how incredible they are through this super-hero-themed week. They will find that they have the power of being a good friend; their bodies are incredibly made; and through imagination, they even possess super powers!

### **August 5-9: Let's Mix It Up!**

This camp immerses your child in hands-on-science-in-the-kitchen. Your curious child will mix some science, measure more math, and pour with precision as they make healthy snacks, fun food, and even eat a RAINBOW!

### **August 12-16: Head Over Heels for Wheels**

Wheels are everywhere from Barbie cars and baby strollers to matchbox cars and bikes! Your preschooler will explore the world of wheels through projects, engineering experiments, and even a treasure hunt on wheels. We will also get ready for back to school with Wheels on the Bus!
