#1 SCRIPTURE:

John 10:10

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

A. WE UNDERSTAND THE BEHAVIOUR OF THE THIEF. HE HAS BEEN AROUND FOR 6016 YEARS ALREADY FOR THE GENTILE GENERATION AND 5777 JEWISH YEARS...

B. WE ALSO UNDERSTAND THAT HE WATCHES US ALL THE TIME

C. BUT GOD PROMISES US ABUNDANT LIFE.... BUT LETS LOOK AT CHALLENGES IN OUR LIFE TIME, SUCH AS END TIME SIGNS.....

STATE OF ISRAEL IS BORN

The first independent Jewish State in 19 centuries was born in Tel Aviv as the British Mandate over Palestine came to an end at midnight on Friday, and it was immediately subjected to the test of fire. As "Medinat Yisrael" (State of Israel) was proclaimed, the battle for Jerusalem raged, with most of the city falling to the Jews. At the

same time, President Truman announced that the United States would accord recognition to the new State. A few hours later, Palestine was invaded by Moslem armies from the south, east and north, and Tel Aviv was raided from the air. On Friday the United Nations Special Assembly adjourned after adopting a resolution to appoint a med-

iator but without taking any action on the Partition Resolution of November 29.

Yesterday the battle for the Jerusalem-Tel Aviv road was still under way, and two Arab villages were taken. In the north, Acre town was captured, and the Jewish Army consolidated its positions in Western Galilee.

Most Crowded Hours in Palestine's History

Between Thursday night and this morning Palestine went through what by all standards must be among the most crowded hours in its history.

For the Jewish population there was the anguish over the fate of the few hundred Hungarian men and women in the Kfar Etzion bloc of settlements near Hebron. Their surrender to a fully equipped superior foreign force demonstrated in a victory was a foregone conclusion. What could not be known, with no communications since Thursday morning, was whether and to what extent the Red Cross and the Y. M. C. A. would secure civilized conditions for prisoners and wounded, and proper respect for the dead. Doubts on some of these anxious questions have now been resolved.

On Friday afternoon, from Tel Aviv, came the reported announcement of the Jewish State, and in official evening at birth, "Medinat Yisrael"—State of Israel, with the sanction of all the first Council of Government. The proclamation of the State was made at midnight, coinciding with the setting from Hebron of Britain's last High Commissioner. Within the hour, President Truman announced in Washington that the United States would recognize the new Jewish State, with

the proviso that the State be a Jewish State, with a Jewish Government, and a Jewish Army. The Security Council met today in a special session to consider action on the issue of Palestine by member states of the U.N.

In the afternoon, Jerusalem was subjected to shelling from the north.

Hapazard leaps throughout the country continued snipping up, and Jewish forces advanced more and more to the safe regions but still some Jews lost their lives.

JEWS TAKE OVER SECURITY ZONES

The battle for Jerusalem, which began when the British forces withdrew on Friday morning, continued all day Friday and yesterday. The attacks of small-arms fire and explosions of mortar shells were still being heard in the early hours of this morning as the battle entered its third day.

Repeated efforts on Friday evening and today, on Saturday, to bring about a "cease fire" were brought to naught when the Arab representatives failed to agree within the specified time limit.

On Friday morning, Jewish forces entered the Hebron Camp and Zone C to reoccupy the buildings razed there last year. This operation was almost completed, but the western edge of Zone C, Arab troops engaged the Jews in Kfar Etzion. The Arabs were forced back and the Hebron Camp was taken.

In other parts of the city fighting flared up. Jews overran one after another the areas surrounded by British troops last night, the quarters and

Egyptian Air Force Spitfires Bomb Tel Aviv; One Shot Down

Kfar Etzion, the Tel Aviv intelligence station, reported at 2 o'clock yesterday afternoon that Tel Aviv had been bombed three times in the previous evening and morning and that one plane had been shot down and the Egyptian pilot taken prisoner.

In the first raid, four planes attacked from a height of 800 feet. Two dropped bombs, while the others strafed the city. Little damage was caused, but the second attack, two hours later, the aircraft in the north of the city were bombed, and an air Force plane parked there was damaged. The third raid was launched shortly before midnight, but the planes were driven off without causing any damage.

Two settlements in the Negev had also been attacked from the air, the radio report said.

U.S. RECOGNIZES JEWISH STATE

WASHINGTON, Sunday. — Ten minutes after the announcement of the British Mandate on Friday, the White House issued a formal statement by President Truman that the U.S. Government intended to recognize the Provisional Jewish Government as the de facto authority representing the Jewish State.

The U.S. is also considering lifting the arms embargo but it is not known whether Palestine will be the main Middle East, and the establishment of diplomatic relations with the Jewish Provisional Government.

The White House press secretary, Mr. Charles Ross, said one responsibility today that revision so far as the recognition had been overwhelmingly favorable. He said the State had been discussed with Mr. Marshall and Mr. Loomer before action was taken, and it had their complete support.

Proclamation by Head Of Government
